

VJ5 Information

On arrival, please head to the marquee where the team will give information on where to park/setup. Each attendee will be issued a wristband, please keep these on for the duration of your stay. If you have been before you'll know what to do. We are a sell out this year which means the field will be full. Please setup taking the space you need but bear in mind other attendees. If you're bringing a caravan please park alongside, to keep the spaced used to a minimum. We will mark out an access and egress route, please do not park on this route as you will be asked to move.

We don't like to impose rules, we're all adults. The only rule Don't Be A Dick!

Saturday Night Party Theme

Saturday night is the theme party night. The theme this year is SPACE. There will be a trophy for the best dressed. Come to the marquee, crack a beer and boogie. We have Karle, Chris and DJ Biscuit on hand to keep us entertained throughout the weekend. Saturday I'm sure we will be delighted with the DJ battle, which was epic at VJ4. Based on the party theme we'd expect some intergalactic tunes.

RC Van Race

Saturday at 14:00 hours. If you were at VJ4 you'll know how easy it is for the fastest vans to lose! We start the competition with Van Drags, heats to see who can hold their line to win. After the drags it's the main event. All racers line up to compete racing around the VJ5 van track flying over obstacles through action canyon (which now includes prehistoric creatures, unicorns and all manor of oddness) to the finish line. Laps, well this will be determined on the day so make sure your charged and ready! Trophies for the drag king/queen and winner of the main event.

Girl's bean flicking competition

If you've got a great flick, long middle finger (Monica) and like it sticky come join in. This is a girl only event, winner get a prize! Flick your bean as hard and fast as you can, splat the target to gain points. The number and make of beans to be determined!!

Charity Raffle

We will be selling raffle tickets for a dog rescue sanctuary and palliative care charity (everyone loves dogs right). We have a petrol scooter and other awesome prizes. You need to be in it to win right. Tickets will be on sale all weekend. Head to the marquee to buy your tickets.

Merch Shop

The shop will be open during the weekend, times to be determined. Please head on over and grab some stickers, show T's. We have some one-off Dave Cooper Vanditos design T's and Hoddles and some regular Vanditos sweatshirts, hoodies and funky swirl T's. We also have bags, hats, caps, beanies and other goodies.

Beer & Cider

We have been busy brewing 640 bottles of homebrew for you to enjoy during your stay. When you arrive, you'll be given a goodie bag which contains beer tokens. Come to the bar and swap a token for a beer, cider or anything else in the fridges. Once you've finished your bottle/drink bring the empty back and grab another. The rule here is token for drink, empty for drink, once there gone there gone.

Sunday Trophies

We have some trophies to award to random stuff. Vanditos loves the shiny show vans but they always win at other shows, will not here. It's true the shiny van can win but it won't be cos of the shine. The Vanditos ladies chose the trophy winners, which are normally based on random stuff like stiffest carpet or smelliest van. Categories are random, everyone's in to win.

Food

We have a really good food vendor attending Friday, Saturday and Sunday. Joe (food vendor) has issued a menu outlining what food & beverages will be available. We have tasted Joe's food at Hot Rod Hop for a number of years, its good, very good!

Electric

There is no electric on the field apart from within the Marquee. If you need to charge batteries, phone etc please speak to one of the team who will assist. Please note, you will be responsible for the care of items on charge. Please don't leave expensive equipment unattended.

Toilets

We will have flushing toilets on site. There are also portal-loos outside the rally field just behind the gate near the Marquee. An Elson point, fresh water and bins are all in this area (for your use while on site).

Showers

The land owner is providing showers to be located on or just off the rally field. We would ask that you use these as opposed to trudging up and down the hill to the campsite facilities. The campsite will be busy during VJ5 hence showers being provided for the rally field.
